Don't forget to sign up for the "Secret List". This is an email newsletter from Chief Billy Goldfeder (no email junk, and he does not give out your address, I promise!) that will give you line of duty death information from around the country. The newsletter will also give you insight on many safety issues facing this country's fire service. Go to www.firefighterclosecalls.com, the site's menu is on the left, click on "Secret List" and sign up.

MEMORIAL WEB SITE- WWW.HOUSTONFIREMEMORIAL.ORG

This is my personal web site that is also the Houston Fire Department's official memorial site. It contains listing of Houston's line of duty firefighters from when the department went paid in 1895 to 2004. I also list as many Houston firefighters that can be found through research that now deceased, these are from 1895 to present I also have, because of 911 all the fire fighters who died on September 11th and have add FDNY's line of duty deaths from 1865 to 2004.
